Erasmus+

- La curs au participat 14 profesori din România, Spania, Croația, Grecia, Portugalia și Martinique.

Erasmus+

- Configurarea unui nou design educațional s-a conturat printr-un schimb real de bune practici pedagogice, activitățile de formare fiind completate de sesiuni de imersiune lingvistică și culturală. Componenta interculturală și partea aplicativă au fost asigurate în toate cele șase zile de curs, participanții beneficiind de strategii inedite de învățare, de lucru în echipă și de noi metode de realizare a transferului de abilități și de atitudini
